

# Radius Pass Thru Protective Panels

## Creating a safe and sanitary barrier for your customers and employees

Our Free-Standing Protective Shield helps to separate your staff and customers with a simple and effective divider. Perfect for those situations where maintaining a minimum distance between people is not possible.

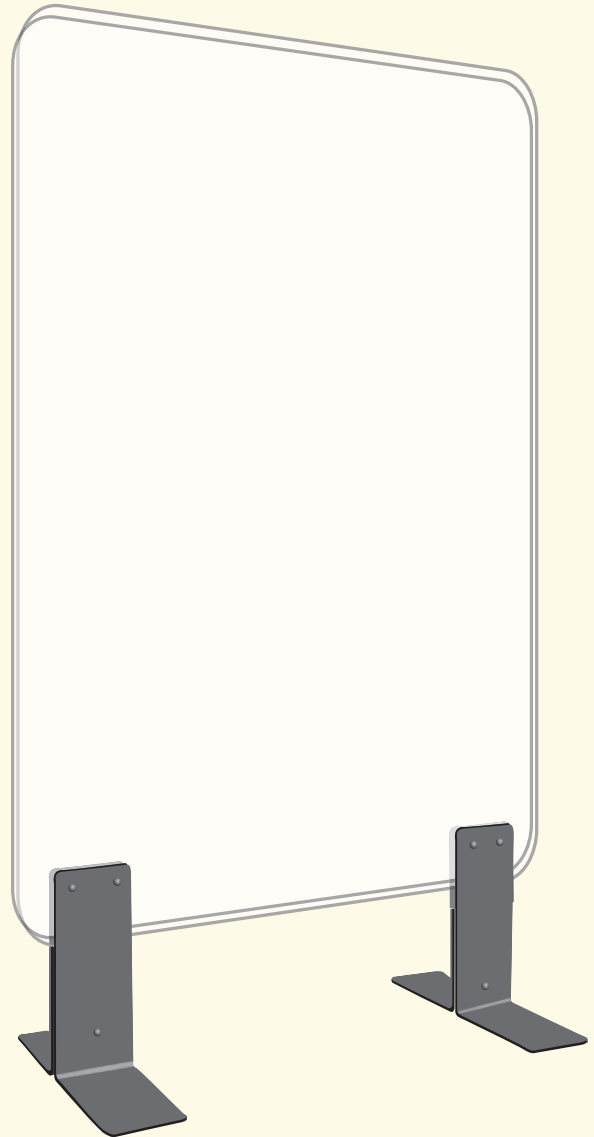

**Be Safe** Helps to prevent spread of germs and viruses.

**Easy to Clean** Easy to wipe down and sanitize with a plastic cleaner, or soap and water on both sides.

**Modular Design** Quick & easy to install, accommodates almost any space.

**Safe-T-Shield Easy installation,** Freestanding panel fits into slotted base

**Custom Sizes Available**
